

A photograph of two men in blue work shirts working in a workshop. They are focused on a long, reddish-brown leather strap that is being processed by a machine. The man on the left has a beard and glasses, and is holding a small tool. The man on the right is also working on the strap. The background shows a well-lit workshop with various tools and equipment hanging on the walls.

Did you know that Jobseeker Officers can offer one-on-one support to eligible jobseekers through the Pre-employment Program (PEP)?

Back to Work Jobseeker Officers work with unemployed jobseekers or those at risk of losing their jobs to understand individual career goals, navigate funded training and employment pathways, and help jobseekers develop personalised plans.
