However, in order to meet state-wide objectives, where conforming tender is received for a transfer from an area with an identified excess of taxi service licences, the Director-General may give preference to the tender provided it is within 15 percent of the highest conforming tender.

Excess taxi service licences have been identified in the following areas:
 Toowoomba - Innisfail

PLEASE NOTE: Due to the location of the tender box, the public will not be able to witness the opening of the tender box. A representative from the Taxi Council of Queensland will witness the opening.
