

Impact Analysis Statement template

A Summary Impact Analysis Statement (IAS) must be completed for all regulatory proposals. A Full IAS (see Box 1) must also be completed and attached for proposals that have significant impacts. Once completed, the IAS must be published.

Summary IAS

Details

Lead department	Department of Agriculture and Fisheries
Name of the proposal	Queensland Commercial Fisheries Structural Adjustment 2023
Submission type <i>(Summary IAS / Consultation IAS / Decision IAS)</i>	Summary IAS
Title of related legislative or regulatory instrument	Fisheries and Other Legislation (Structural Reform) Amendment Regulation 2023
Date	December 2023

For proposals noted in table below

Complete and delete rows where applicable. No further analysis is required.

Proposal type	Details
Cabinet exemptions	On 24 August 2023, the Premier and Minister for the Olympic and Paralympic Games approved an exemption from Regulatory Impact Statement (now IAS) for amendments to fisheries regulations to give effect to GBR related commitments to UNESCO regarding the phasing out of gillnet fishing. The approval acknowledged the importance of stakeholder consultation and engagement in the absence of a formal RIS and the department was requested to continue to engage with the fishing industry and relevant stakeholders on the policy changes.
