Acquisition of Land Act 1967

TAKING OF EASEMENT NOTICE (No 31) 2008

Short title

1. This notice may be cited as the *Taking of Easement Notice (No 31) 2008*.

Easement taken [s.15 of the Act]

2. The Easement described in Schedule 2 is taken by the Council of the City of Gold Coast for Drainage purposes and vests in the Council of the City of Gold Coast on and from 4 July 2008.

Rights and obligations

3. That the rights and obligations conferred and imposed by the Easement include the matters set out in Schedule 1.

SCHEDULE 1

Interpretation

1. In this Easement:

“**Burdened Land**” means Lot 999 on SP164175.

“**Council**” means the Gold Coast City Council.

“**Development Works**” means works undertaken by or on behalf of the Owner associated with the development or use of the Burdened Land. Those works may include but not be limited to:

- the erection of advertising devices;
- the erection of signs;
- vehicles or pedestrian crossings;
- landscaping works;
- “Building Work”, “Operational Work” or “Plumbing or Drainage Work” as those terms are defined in the *Integrated Planning Act 1997*.

“**Drainage Easement**” means the area of approximately 2792 m² shown on sheet 138 of 145, drawing No 27016.303, issue B dated 20 November 2007 (which is Annexure A to the agreement between the Council and the Owner to grant the Easement) required for drainage purposes associated with the road widening of Old Coach Road.

“**Owner**” means Rix Super Pty Ltd ACN 114 534 253 and its successors in title.

“**Relevant Works**” means overland or underground

drains, pipes, conduits and channels for the passage or conveyance of rainwater and other lawful discharges to Council drainage through, across or under the Drainage Easement, together with manholes, field inlet pits and all other usual or necessary fittings and attachments as well as works for the protection and/or support of all such things.

“Construction of this Document”

2. The Council acknowledges that it is in the intention of the Owner to develop the Burdened Land for either commercial, residential or industrial purposes, a mix of these purposes or other purposes. To that end, it may be necessary for the Owner to undertake Development Works on the Drainage Easement. It is the intention of both parties that the Owner be allowed to undertake Development Works on the Drainage Easement as long as there is no interference with the Relevant Works. This document ought therefore be interpreted in a way which, while authorising the Council to undertake the Relevant Works and associated purposes in the Drainage Easement, also permits the Owner to use the Drainage Easement for Development Works where that does not conflict with or prejudice the Relevant Works.

Rights of Council

3. The Council shall have the full and free right and liberty at all times hereafter to enter upon the Drainage Easement for the purposes of constructing and thereafter forever using and maintaining such Relevant Works as it shall from time to time think fit and in so doing, the Council by its employees, agents and other persons authorised by the Council shall have the right to:
 - 3.1 construct, install, extend, deepen, widen, cleanse, add to, remove, inspect, maintain and repair the Relevant Works with new Relevant Works (whether of a similar nature to those replaced or not);
 - 3.2 dig into, sink shafts in, and erect scaffolding upon the Drainage Easement and to open and break up the soil of the Drainage Easement or any part thereof including the sub-surface thereof;
 - 3.3 remove and dispose of soil created as a consequence of the Council exercising its rights hereunder;
 - 3.4 clear and keep clear the Drainage Easement by any means or method and to cut and remove timber, trees and undergrowth from the Drainage Easement and to burn off such timber, trees and undergrowth;
 - 3.5 enter upon and remain, pass and repass on and over the Drainage Easement for all or any of the purposes aforesaid with or without vehicles, plant and equipment of any description whatsoever;
 - 3.6 do such other works and things through, across, in or under the Drainage Easement as are incidental to the proper exercise of the rights granted to the Council hereunder.

Property in Relevant Works

4. All Relevant Works are and remain the property of the Council notwithstanding any actual or apparent affixing to the Drainage Easement and the Council shall be solely responsible for the operation and maintenance of all Relevant works.

Fencing

5. For the purpose of gaining access to the Drainage Easement the Council shall be entitled to pull down or break open any fencing on the Drainage Easement but where livestock are contained within the fenced area sufficient notice shall be given to the Owner to

- enable such livestock to be secured.
6. If the Council removes any fencing on the Drainage Easement it must either:
 - 6.1 reinstate all fences and any other property where the same have been damaged by the Council in the exercise and performance of any of its rights and liberties granted herein; or
 - 6.2 in lieu of reinstating any such fence, install a gate the quality of the materials and workmanship of which except with the Owner's consent shall be not less than the quality of the materials and workmanship in the existing fence. A gate so installed becomes the property of the Owner of the fence in which the gate is installed and thereafter shall be maintained by the Owner.

Rights and Obligations of the Owner

7. The Owner shall not at any time:
 - 7.1 erect any buildings or structures (other than fences) upon the Drainage Easement or any part thereof or otherwise permit the Drainage Easement or any part thereof to be used in such a way as to obstruct or interfere with the Relevant Works and/or the proper and effective use thereof by the Council to any significant degree;
 - 7.2 install concrete, bitumen or other pavement or driveways on the Drainage Easement or gardens or landscaping involving concrete, brick or other permanent materials in such a way as to obstruct or interfere with the Relevant Works and/or the proper and effective use thereof by the Council to any significant degree;
 - 7.3 remove or stockpile or permit the removal or stockpiling of any soil, sand, gravel, or other substance or material on the Drainage Easement or construct any roads, dam walls or other earthworks on the Drainage Easement which would in any way obstruct or interfere with the Relevant Works and/or the proper and effective use thereof by the Council to any significant degree.
8. The Owner is permitted to carry out Development Works on the Drainage Easement subject to:
 - 8.1 the Development Works not obstructing or interfering with the Relevant Works or their proper or effective use to any significant degree;
 - 8.2 the Owner obtaining all necessary approvals for the Development Works including all approvals under the *Integrated Planning Act 1997*, Council's planning scheme and any local laws.
9. All Development works undertaken in the Drainage Easement will remain the property of the Owner.

Obligations on the Council

10. In exercising rights and powers under the Easement, the Council must:
 - 10.1 ensure that any work done on the Drainage Easement is done properly;
 - 10.2 cause as little inconvenience as is reasonably practicable to the Owner;
 - 10.3 cause as minimal disturbance to the Drainage Easement or Development Works as is reasonably practical;
 - 10.4 restore the Drainage Easement, including any development Works, as nearly as is reasonably practicable to its former condition if the Drainage Easement or Development Works are damaged or changed by the work done on the Drainage Easement; and
 - 10.5 comply with all applicable laws in the undertaking of any work done on the Drainage Easement.

Protection of Relevant Works

11. The Owner will not do any act or make any omission likely to jeopardise or prejudicially affect the safety or reliable working of any Relevant Works.

Indemnity by Council

12. The Council indemnifies the Owner against all actions, suits, proceedings, demands, claims, losses, damages, costs and expenses, including any indirect or consequential loss ("Losses") arising from:
 - 12.1 any breach by the Council of the terms of the Easement; and
 - 12.2 any act or omission of the Council in the exercise of its rights under the Easement including undertaking the relevant Works.

Indemnity by Owner

13. The Owner indemnifies Council against all actions, suits, proceedings, demands, claims, losses, damages, costs and expenses, including any indirect or consequential loss ("Losses") arising from:
 - 13.1 any breach by the Owner of the terms of this Easement; and
 - 13.2 any act or omission of the Owner in the exercise of its rights under the Easement including undertaking the Development Works.

Stamping and Registering of Easement

14. The Council must:
 - 14.1 stamp (if required) and register the Easement; and
 - 14.2 pay all duty and registration fees on the Easement.

Severability

15. Subject to clause 16, if a provision of the Easement is illegal or unenforceable in any relevant jurisdiction, it may be severed for the purposes of that jurisdiction without affecting the enforceability of the other provisions of the Easement.
16. Clause 15 does not apply if severing the provision materially alters the scope and nature of the Easement or the relative commercial or financial positions of the parties, or would be contrary to public policy.

QUEENSLAND GOVERNMENT VACANCIES GAZETTE

The Queensland Public Service is committed to equal opportunity in employment. Selection will be given on the basis of merit only and fair consideration will be given to all applicants. The Queensland State Government's policy is to seek to retain skilled staff. Registered deployees who apply for an advertised job will be considered before other applicants. The symbol (h) appears next to vacancies where an exemption from this requirement applies. Deployees are to indicate in their application for the advertised job that they are registered with the Office of the Public Service Commissioner. The Queensland Public Service Commissioner is committed to equal opportunity in employment. Selection will be given on the basis of merit only and fair consideration will be given to all applicants.

CONTINUOUS APPLICANT POOLS

A continuous applicant pool allows you to apply for jobs within an occupation where vacancies are regularly available. This means that agencies can 'dip' into the pool for suitable applicants as soon as they have a vacancy. You can submit or refresh your application at any time. If you are refreshing your application, make sure that you indicate this either on your email or, if sending by post, in a covering letter. In search results, continuous applicant pools can be identified by 'Ongoing' in the 'Closes' column of a search result.

Note: If a continuous applicant pool is closing, applicants will be notified two weeks prior to this date. Applications may be used for up to six months after the pool closes.

MULTI-AGENCY POOLS

Some Queensland Government agencies are on the lookout for people to fill similar jobs or occupations at the same time. Some of these jobs have a fixed closing date and others are ongoing (continuous applicant pools). With multi-agency pools, you only have to apply once to access job opportunities across participating agencies. Your application will then be able to be viewed and assessed by all the agencies in that pool - or, if you prefer, you can specify that you want to be considered only for particular agencies. Make sure you check the specific vacancy to find out how each pool works.

HOW TO APPLY

When you have found the job you would like to apply for.

1. You can phone for a copy of the information kit or you can download the documents from the Smart Jobs and Careers website at www.jobs.qld.gov.au. The information kit will include:
 - the position or job description detailing: background of the department or work area; roles and responsibilities, and selection criteria
 - a job information package, outlining the procedure for preparing and sending in your application, and
 - an application cover sheet.
2. Do your homework - research the agency to understand the background to the job.
3. Prepare your application. This should include your:
 - completed cover sheet (available on jobs online or in the kit mailed to you)
 - covering letter
 - resumé / curriculum vitae
 - names and contact details of (2) referees, and
 - responses to the selection criteria if required.
4. Mail or email your application (Details of where and how are available in either the job description or the job information package).

Check with the job vacancy contact person if you are unsure about how or where to submit your application or how many copies to send. Make sure you send your application by the closing date. If you don't, it may not be accepted. Once your application is received, you will usually be sent a written acknowledgement.

When applying for Continuous Applicant Pools, please check each vacancy for application instructions.

ELECTORAL COMMISSION OF QUEENSLAND

In accordance with Section 63 of the *Electoral Act 1992*, I have ascertained and set out in Schedule A hereunder, as at the date indicated, the number of electors enrolled in each Electoral District for the State of Queensland and have determined the average district enrolment and the extent to which the number of electors enrolled in each district differs from the average enrolment.

Schedule B indicates the adjusted enrolment for Electoral Districts of 100,000 square kilometres or more in area, being the sum of the number of enrolled electors and the additional large district number as specified in Section 45 of the Act, and the extent to which those districts differ from the average district enrolment in Schedule A.
