*Transport Infrastructure Act 1994***NOTIFICATION OF DECLARATION OF A
STATE-CONTROLLED ROAD AS A LIMITED ACCESS ROAD**

Notice is hereby given under section 54(1) of the *Transport Infrastructure Act 1994* that the State-controlled road described in the Schedule is hereby declared or revoked as a Limited Access road. As required under section 55 of the *Transport Infrastructure Act 1994*, Scenic Rim Regional Council has been notified.

Andrew Wheeler
Regional Director, South Coast Region
Delegate of Director-General, Department of Transport and Main Roads

THE SCHEDULE

On and from 14 July 2023, the State-controlled road described below hereto, is declared a Limited Access road, respectively, under and for the purposes of the *Transport Infrastructure Act 1994*.

**MOUNT LINDESAY HIGHWAY (25A)
(Brisbane - Beaudesert)
SCENIC RIM REGIONAL COUNCIL**

Commencing at the intersections of Helen and Brisbane Streets in Beaudesert, traveling in a generally southerly direction to the intersection of Beaudesert – Boonah Road in Beaudesert.

Length 1.47 kilometres (approximately)

The parts of the road to which access is to be limited are shown on plan LA12363. A copy of the LA plan is held in the office of the Department of Transport and Main Roads, Floor 1, 36-38 Cotton Street, Nerang, Queensland 4211.

The reason for the declaration is to achieve a high level of access control to:

- Ensure the arterial function of the road is maintained and preserved;
- Provide an efficient alternative route for heavy vehicles around the town centre of Beaudesert;
and
- Protect the ability to provide additional capacity to accommodate growth in traffic volumes.

Any person whose interests are affected by the declaration may:

- (1) under section 485 of the *Transport Infrastructure Act 1994* – ask for the decision to make the declaration to be reviewed by the Chief Executive;
- (2) under the *Transport Planning and Coordination Act 1994*, part 5, division 2 – apply for the original decision to be stayed; and
- (3) under the *Transport Planning and Coordination Act 1994*, part 5, division 3 –
 - (a) appeal against the Chief Executive’s decision on the review to the court stated in Schedule 3 of the *Transport Infrastructure Act 1994* for the decision; and
 - (b) apply for the reviewed decision to be stayed.

Notice is hereby given that there is a policy in place, in relation to the application of section 62 of the *Transport Infrastructure Act 1994* to access between Mount Lindesay Highway (at its intersection with Brisbane Street in Beaudesert, to its intersection with Beaudesert - Boonah Road) and adjacent land. The policy is set out below.

POLICY FOR MOUNT LINDESAY HIGHWAY (BRISBANE – BEAUDESERT) 25A

1 PURPOSE

The purpose of this policy is to protect the function, safety and efficiency of the Mount Lindesay Highway (Brisbane – Beaudesert) 25A (at its intersection with Brisbane Street in Beaudesert, to its intersection with Beaudesert – Boonah Road) (the “Road”) by setting out the principles that will be applied when making decisions under s 62 of the *Transport Infrastructure Act 1994*.

The management of access is essential in ensuring that the vision for the Road can be achieved by:

- Ensure the arterial function of the road is maintained and preserved.
- Protect the ability to provide additional capacity to accommodate growth in traffic volumes.

2 HEAD OF POWER

This policy has been made pursuant to s 54 of the *Transport Infrastructure Act 1994*.

3 ROAD VISION

The following vision for the Road sets the context within which the Policy Principles (section 5) and the Policy Strategies (section 6) will be applied:

- The Road is known as and acts as a heavy vehicle bypass of the Beaudesert Town Centre.
- Any development (current or future) which adjoins this section of the Road has access to locally controlled roads and hence no accesses will be required of the Road.
- In the future, the Road may extend south from its intersection with Boonah Beaudesert Road to Mt Lindsay Highway to just south of its intersection with Thiedeke Road.
- The Road may integrate with Scenic Rim Regional Council’s planning for a future ring road which will circle the city of Beaudesert.

4 APPLICATION

This policy will be applied in assessing applications made under s 62 or 62A of the *Transport Infrastructure Act 1994*.

This policy will also be applied in:

- 1) the preparation, amendment or review of local, state, and federal government planning schemes and other planning instruments to ensure that:
 - a) land uses reflect the Policy Principles, Policy Strategies, and preserve the function of the Road;
 - b) the local road network is developed to provide access to land where access from the Road is not supported;
 - c) the vision for the Road identified in section 3 is accommodated; and
- 2) general transport planning relevant to managing access to limited access roads.

5 POLICY PRINCIPLES

When making a decision relating to the management of access between land and the Road, the following principles will be applied:

- 1) vehicular access must not compromise safety of the users of the Road or any other transport infrastructure.
- 2) vehicular access must be consistent with the functional requirements of the Road;
- 3) vehicular access must be consistent with the current or planned intent for the Road corridor and the wider State-controlled road network.

In applying the principles, regard will be had to the following strategies:

- (1) the strategies applying to vehicular access to State-controlled roads set out in the *Vehicular access to state-controlled roads policy*; and
- (2) the Policy Strategies set out in section 6.

Where there is inconsistency between the strategies set out in the *Vehicular access to state-controlled roads policy* and the Policy Strategies set out in this policy, the Policy Strategies set out in this policy prevail.

A proposal will be consistent with this policy if it meets the Policy Principles and all relevant Policy Strategies.

6 POLICY STRATEGIES

SAFETY

Principle 1: vehicular access must not compromise safety of the users of the Road or any other transport infrastructure

Safety is paramount in the road environment. Adequate levels of safety must be ensured for all users of the Road, including motorists, pedestrians and cyclists.

The vision for the road is for it to function as a heavy vehicle by-pass. New accesses will introduce new conflict points between access users and heavy vehicles travelling at speed, increasing the risk of accidents.

Strategy 1

No access to the properties and land adjoining the Road will be permitted.

Strategy 2

No additional road accesses will be permitted to the Road.

FUNCTION**Principle 2: Vehicular access must be consistent with the functional requirements of the Road**

The primary function of the Road is to be an efficient heavy vehicle bypass of the town centre of Beaudesert.

Strategy 1

No access to the properties and land adjoining the Road will be permitted.

Strategy 2

No additional road accesses will be permitted to the Road.

This is to ensure that the primary function of the Road is maintained.

FUTURE INTENT**Principle 3: Vehicular access must be consistent with the current or planned intent for the Road corridor and the wider network**

The Road currently terminates at the intersection with Boonah Beaudesert Road but may, in the future, extend south to Mt Lindsay Highway to just south of its intersection with Thiedeke Road.

The Road may integrate with Scenic Rim Regional Council's planning for a future ring road which will circle the city of Beaudesert.

No Policy Strategies.

7 APPROVAL

This policy applies to the Road and will be applied when making decisions under s 62 of the *Transport Infrastructure Act 1994*.

Dated: 26 June 2023

Signed: Andrew Wheeler (Regional Director, South Coast Region) Delegate of the Director-General, Department of Transport and Main Roads

8 ADDITIONAL INFORMATION

This policy may be amended at any time without a gazette notice if:

- the amendment merely changes or repeals a specific provision for 1 or more particular properties; and
- the owner or occupier of each property has been given written notice of the amendment.

Any person whose interests are affected by this policy may:

- under s 485 of the *Transport Infrastructure Act 1994* – ask for the decision about the policy to be applied to be reviewed;
- under Part 5, Division 2 of the *Transport Planning and Coordination Act 1994* – apply for the original decision to be stayed;

- under Part 5, Division 3 of the *Transport Planning and Coordination Act 1994*:
 - appeal against a decision on a review;
 - apply for the reviewed decision to be stayed.

Under s 61 of the *Transport Infrastructure Act 1994*, a person must not construct or change a physical means of entry or exit for traffic between land and a limited access road without first obtaining a decision under s 62(1) that authorises the construction or change. Maximum penalty – 200 penalty units.

ENDNOTES

- 1 Published in the Gazette on 14 July 2023.
- 2 Not required to be laid before the Legislative Assembly.
