

NOTICE TO MARINERS

058 of 2024

Issued by Brisbane Maritime Region on 7 February 2024

Area: South East Queensland
Locality: Pacific Ocean, off South Stradbroke Island
Activity: wreck of 16 metre catamaran drifting southward

Mariners are advised that:

The wreck of the 16 metre New Zealand catamaran SV Triple Eight has been sighted drifting 18 nautical miles off North Stradbroke Island on Tuesday, 6 February 2024. Modelling indicates that the catamaran hulls are drifting in a south easterly direction and are likely to be off South Stradbroke Island during today. The catamaran hulls are expected to continue to drift southward in the East Australian Current and will likely be off the New South Wales coastline by tomorrow Thursday, 8 February 2024.

Mariners are advised to exercise caution in the offshore area between the Queensland/New South Wales Border and North Stradbroke Island and report any sightings to Gold Coast Seaway Tower on VHF Ch 16 or to VTS or AMSA.
