## **Invitations for Expressions of Interest to become a Member of the Board of Examiners**

The Board of Examiners is constituted under part 10 of the *Mining and Quarrying Safety and Health Act 1999* and part 10 of the *Coal Mining Safety and Health Act 1999*. Its role is to set exams and issue certificates of competency and notices to people who want to work in statutory positions in the metalliferous and coal mining industries.

The Board's activities contribute to securing the safety and health of workers in mines by ensuring only qualified and competent people are entrusted with key mining roles which, if mishandled, could contribute to injury and loss of life, potentially on a large scale. The Board grants Certificates of Competency to persons assessed as being appropriately qualified to fill statutory safety and health mine management positions in the coal and metalliferous mining industries.

The Board of Examiners consists of a Chairman who is an Inspector and at least six other members, each of whom has had at least ten years practical mining experience and holds a certificate of competency under the *Coal Mining Safety and Health Act 1999* or the *Mining and Quarrying Safety and Health Act 1999*.

## **Functions of the Board of Examiners**

The Functions of the Board for the Examiners are:

- To decide the competencies necessary for holders of certificates of competency and notices.
- To assess applicants, or have applicants assessed for certificates of competency and notices.
- To grant certificates of competency to persons who have demonstrated to the Board's satisfaction the appropriate competencies necessary to hold the certificates; and
- To ensure the competencies under the above acts are consistent with the competencies required by other States for the holders of certificates of competency.

Certificates of Competency and notices are mandatory for statutory positions defined in the Acts. Certificates are only issued by the Board of Examiners to persons who meet appropriate eligibility criteria, pass a written examination in Queensland mining law and an oral examination in mining practice. The oral examination panels are chaired by a Mines Inspector and include two experienced qualified peers from the mining industry.

Certificates issued by the Board are:

- First Class Mine Managers Certificate of Competency (Underground Metalliferous Mines)
- First Class Mine Managers Certificate of Competency (Underground Coal Mines)
- Second Class Mine Managers Certificate of Competency (Underground Coal Mines)
- Deputy's Certificate of Competency (Underground Coal Mines)
- Open Cut Examiners Certificate of Competency (Surface Coal Mines)
- Ventilation Officer Certificate of Competency (Underground Coal Mines)

The Board Issues Coal Site Senior Executive Notices to persons who have demonstrated their knowledge of the *Coal Mining Safety and Health Act 1999* by undertaking a written mining law examination. The Board now also issues Site Senior Executive Notices for Mineral Mines and Quarries, following changes to the *Mining and Quarrying Safety and Health Act 1999*.

---

**Expressions of Interest**

Individuals who meet the criteria of having at least 10 years practical experience in the mining industry; and hold a Certificate of Competency under the *Coal Mining Safety and Health Act 1999* or the *Mining and Quarrying Safety and Health Act 1999* are invited to express their interest in appointment to fill vacancies for three-year terms. There are positions, which will shortly become available. The current technical expertise and experience sought is outlined as follows:

- Open Cut Examiner Certificate of Competency Holder, with ten years practical experience.
- Two First Class Mine Manager Certificate of Competency (Underground Metalliferous Mines) Holders, with ten years practical experience.
- First Class Mine Manager Certificate of Competency (Underground Coal Mines) Holder, with ten years practical experience.
- Experience in training or education within the Vocational Education Sector or University Sector will be highly regarded.

Due to anticipated introduction of a Practising Certificate Scheme within the Certificate of Competency framework, applicants must be able to demonstrate capacity to maintain a Practising Certificate through current employment with an operator or engagement as defined within section 186(6) of the *Coal Mining Safety and Health Act 1999*.

Expressions of Interest received will be considered for any vacancies that arise within the next two years. The selection panel will consider all applications that meet the criteria stipulated.

All Applications must include a Curriculum Vitae of no more than 2 pages and a cover letter outlining their skills and qualifications against the criteria stated to be a board member. Expressions of Interest will only be accepted electronically, email to [BOESecretary@rshq.qld.gov.au](mailto:BOESecretary@rshq.qld.gov.au)

**Appointment Process**

Appointment of Members to the board is by the Governor in Council by gazette notice.

Expressions of Interest close 5pm Thursday 11 March

Directive No. 01/2021

## DECLARATION OF INTERESTS

### CHIEF EXECUTIVE DIRECTIVE

#### Section 26 of the *Ministerial and Other Office Holder Staff Act 2010*

This text box does not form part of the directive

Under the *Human Rights Act 2019* decision makers have an obligation to act and make decisions in a way that is compatible with human rights, and when making a decision under this directive, to give proper consideration to human rights.

#### 1. Purpose

This directive specifies requirements relating to declaration of interests and notification of conflicts of interests of staff members.

#### 2. Effective Date

1 March 2021

#### 3. Interpretation and Definitions

Where a term used in this directive is defined in the *Ministerial and Other Office Holder Staff Act 2010*, the term has the meaning given in that Act, unless otherwise stated.

**Act** means the *Ministerial and Other Office Holder Staff Act 2010*

**Staff member** means a person employed as a staff member in the office of a Minister in accordance with the Act.

**Personal Interests** include pecuniary interests and intangible interests such as relationships, associations, roles and responsibilities. Personal interests include the interests of the staff member's partners and dependants, or organisations with which they are affiliated.

**Conflicts of Interest** arise where a staff member's personal interests have the potential to improperly influence the performance of their official responsibilities. Whether a personal interest of a staff member gives rise to a conflict of interest, involves an objective test of whether, in the circumstances, a fair and reasonable person might perceive that the staff member might be unable to bring an impartial mind to a decision because of their personal interest and that the interest might conflict with the proper performance of the staff member's official duties.

#### 4. Application

This directive applies to all staff members.

#### 5. Legislative authority

Sections 24, 25 and 26 of the Act.

#### 6. References

*The Queensland Ministerial Handbook*

#### 7. Previous References

Directive 2014/01 – Declaration of Interests

### DIRECTIVE

#### 8. Principles

This policy should be interpreted broadly. Its application should not be limited to a literal reading of the provisions.

Staff members are responsible for fully disclosing their interests in accordance with information to be declared as set out below in this directive.

Staff members are also responsible for disclosing within their knowledge the interests of their partner and/or dependants in accordance with information to be declared as set out below in this directive.

Responsibility for the recognition of a real or perceived conflict of interest rests solely with the staff member concerned.

Staff members are responsible for acquiring and being familiar with the information released from time to time by the Queensland Integrity Commissioner and the Crime and Corruption Commission concerning conflict of interest issues.

Staff members who give advice to a Minister should be aware of the role of the Queensland Integrity Commissioner and seek counsel on any issue that may give rise to a potential conflict of interest.

#### 9. General Conditions

- Staff members are responsible for providing their Minister a Declaration of Interests:
  - within one month after commencing employment as a staff member;
  - within one month of a change of Minister;
  - as soon as practicable, and within one month, following any change in the staff member's interests; and
  - on an annual basis during June each year.
- Interests are to be declared by submitting a Declaration of Interest form to the Minister, via the office's Chief of Staff. The Declaration of Interest form is at Appendix 2 to *The Queensland Ministerial Handbook*.
- Staff members must declare any conflict of interest, or potential conflict of interest, and the actions proposed to manage the conflict to the Minister as soon as practicable, and within at least one month of the staff member becoming aware of the conflict.

## Ministerial Services

- Conflicts of interest are to be declared by submitting a Conflict of Interest / Other Employment Management Plan to the Minister, via the office's Chief of Staff.
- The Chief of Staff must ensure completed Declaration of Interests and Conflict of Interest / Other Employment Management Plans are signed and dated by the Minister.

**10. Transitional Provisions**

At the commencement of this directive, currently employed staff members, who have already provided a Declaration of Interests, on or after 12 November 2020, that included all the information required to be included in the Declaration of Interests, are not required to provide a new Declaration of Interests, unless there has been a change to the staff member's interests since their previous declaration.

**11. Declarable interests: information to be declared**

- Staff members are required to declare and list their personal interests and those of their partner and any dependants.
- Personal interests may include the following
  - shareholdings in public and private companies;
  - family and business trusts and nominee companies;
  - bonds, debentures and like investments;
  - savings and investment accounts;
  - partnerships;
  - real estate;
  - directorships in or employment by public and private companies;
  - other assets;
  - other substantial sources of income;
  - other interests (pecuniary or non-pecuniary);
  - liabilities;
  - organisational memberships.

**12. Changes to Interests**

- When interests declared by a staff member have changed, the staff member must submit a new Declaration of Interests form as soon as practicable after the relevant facts of the change come to the knowledge of the person.
- Any change to interests must be declared, including, for example:
  - the acquisition, divestment or an altered relationship in the interest;
  - a change to the official responsibilities of the staff member; or
  - a new personal relationship or affiliation.

### 13. Identifying and managing a conflict of interest

- Staff members must perform their duties in a fair and unbiased way, ensuring that decisions made in the course of their duties are not affected by self-interest, private affiliations or the likelihood of personal gain or loss.
- Conflict of Interests are to be managed transparently and resolved in the public interest. The public interest must prevail over the personal interests of a staff member.
- Staff members must declare any conflict of interest, or potential conflict of interest, and the actions proposed to manage the conflict to the Minister as soon as practicable, and within at least one month of the staff member becoming aware of the conflict. This is done by submitting a Conflict of Interest/Other Employment Management Plan to the Minister, via the Chief of Staff (Appendix 3 to *The Queensland Ministerial Handbook*).
- Where it is not possible for the staff member to declare a conflict of interest in writing (i.e. where it is identified in a meeting), the staff member should:
  - verbally disclose the interest
  - if identified during a meeting - make sure the disclosure is included in their meeting minutes, if any, and remove themselves from the meeting / stop or postpone the meeting
  - submit the written Conflict of Interest / Other Employment Management Plan as soon as possible after the conflict of interest has been identified.
- The Chief of Staff and the Minister must sign and date the Conflict of Interest / Other Employment Management Plan.
- The staff member must comply with the Conflict of Interest / Other Employment Management Plan.

### 14. Storage of records

- The Chief of Staff must ensure completed Declaration of Interests and Conflict of Interest / Other Employment Management Plans are filed securely with the Minister and managed in accordance with *The Queensland Ministerial Handbook* and the Disposal Authority issued by State Archives.
- The Chief of Staff must maintain a register of Declaration of Interests and Conflict of Interest/Other Employment Management Plans lodged by staff members.

### 15. Access to records

- Declaration of Interests and Conflict of Interest / Other Employment Management Plans are to be maintained in the strictest of confidence.
- Unless required by law, access to Declarations of Interests and Conflict of Interest / Other Employment Management Plans is limited to the staff member, Chief of Staff and the relevant Minister.
- Declaration of Interests records may be the subject of applications for access under the *Right to Information Act 2009* and/or the *Information Privacy Act 2009*. Each application for access would be considered on a case-by-case basis before a decision is made on whether it is in the public interest to release the document.

**PROCEDURES****16. Declaration of Interest**

Within one month of commencement, staff members shall lodge a completed Declaration of Interests form with the Minister, via the office's Chief of Staff.

**17. Change of Minister**

Within one month of a change of Minister, staff members shall lodge a completed Declaration of Interests form with the new Minister, via the office's Chief of Staff.

**18. Change to Interests**

Staff members must notify the Minister as soon as practicable, and within one month, of a change to their interests, by lodging a new Declaration of Interests form with the Minister, via the office's Chief of Staff.

**19. Annual Review**

During June each year, Staff Members shall review their existing Declaration of Interests and submit a new Declaration of Interests form, which includes a statement of changes or a statement declaring that the interests have not changed. The new Declaration of Interests form shall be lodged with the Minister, via the office's Chief of Staff.

**20. Conflict of Interest**

As soon as practicable, upon identifying a potential conflict, staff members shall lodge a completed Conflict of Interest / Other Employment Management Plan with the Minister, via the Chief of Staff.

**21. Retention of Declarations and Conflicts of Interest forms**
