(d) **Removal of Unauthorised structures etc**

Clause 7 of this Easement is omitted and replaced with the following:

If anything is erected, placed, found or installed upon the Easement Land in contravention of Clause 5, Unitywater may, in addition to any other remedies, and having given the Owner reasonable notice of its intention to invoke this clause, enter Easement Land and remove or demolish the Matter. If it does so it may dispose of the Matter or any resultant demolition materials in such manner as it sees fit without being liable.

(e) **Removal of Trees**

Unitywater must not cut or remove timber or tress from the Easement Land without first giving reasonable notice to the Owner and obtaining all necessary permits. Such notice will not be required under this clause in the event that there is an actual or potential danger to persons or property or there is any interference or jeopardy to the supply of the Relevant Works.

(f) **Removal of Assets upon termination of easement**

Under the *Land Act 1994*, an easement over a reserve ends when the dedication of reserve is revoked unless a written approval is provided by the Minister that the easement may continue over unallocated State Land when the dedication of reserve is revoked.

Upon termination of the Easement, Unitywater

- (i.) must ensure that the Easement Land is left in a safe and stable condition to the satisfaction of the Minister; and
- (ii.) will unless directed by the Minister otherwise, at its own cost and expense, remove all of the Relevant Works from the Easement Land; and
- (iii.) will remove, at its own cost and expense, all of the Relevant Works from the Easement Land that may cause contamination or environmental harm to the Easement Land as defined by the *Environmental Protection Act 1994* or similar legislation.

(g) **Indemnity and Risk**

The following clauses will apply for the duration of the Easement and will continue to apply during the periods of rehabilitation and any removal of the Relevant Works under clause 11 (f):

(i.) **Indemnity**

- a. Unitywater indemnifies and agrees to keep indemnified the Minister, the State of Queensland, Trustee and

Owner (the “indemnified parties”) against all actions, suits, proceedings, claims, demands, costs, losses, damages and expenses (“Claims”) arising out of or in any way connected to or resulting from the granting of this Easement to Unitywater or which is connected to or resulting from Unitywater’s use and occupation of the Easement Land (all of which are referred to as “the indemnified acts or omissions”) save to the extent that the claim arises as a result of any negligent act or omission of the indemnified parties, however, any negligent act or omission or one of the indemnified parties does not negate the indemnity to any other indemnified parties.

- b. Unitywater hereby releases and discharges the indemnified parties from any Claim relating to the indemnified acts or omissions which may be made against the indemnified parties, save to the extent that the Claim arises as a result of any negligent act or omission of the indemnified parties, however, any negligent act or omission of one of the indemnified parties does not negate the release and discharge in favour of any of the other indemnified parties.

(ii.) **Public Risk**

- a. Unitywater must effect a public liability insurance policy with an insurer authorised under the *Insurance Act 1973* (Commonwealth) or, in any other case, to the satisfaction of the Minister naming Unitywater as the insured covering legal liability for any loss of, or damage to any property and for the injury (including death) to any person arising out of anything done or omitted on or about the easement land or any improvements thereon and against all claims, demands, proceedings, costs, charges and expenses whatsoever in respect thereof subject to the terms and conditions of the insurance policy.

b. Such policy must:

- (a) be for an amount not less than \$20,000,000.00 (Twenty Million dollars) in respect of all claims arising out of a single event or such higher amounts as the Minister may reasonably require; and
- (b) be effected on a “claims occurring” basis so that any claim made by Unitywater under the policy after expiration of the period of policy cover but relating to an event occurring during the currency of the policy will be covered by the policy subject to the claim meeting the policy’s other terms and conditions; and
- (c) be maintained at all times during the currency of the Easement,

and upon receipt of any Notice of Cancellation, Unitywater must immediately effect another public liability insurance policy in accordance with the provisions of this Clause 11(g) (ii).

- c. Unitywater must also provide a certificate of currency within 14 days of a request by the Owner who may only make such request once a year.
 - d. Unitywater must, as soon as practicable, inform the Minister and Owner in writing, of the occurrence of any event that Unitywater considers is likely to give rise to a claim under the policy of insurance effected and must ensure that the Minister and Owner are kept fully informed of subsequent actions and developments concerning the claim.
- (h) **Power of Attorney**
- Whilst the Easement Land remains unallocated State Land or is dedicated as a Reserve pursuant to the *Land Act 1994* as amended from time to time or is registered solely in the name of the State of Queensland, Unitywater irrevocably appoints in so far as it is legally able to the State of Queensland the true and lawful attorney of Unitywater enabling the attorney to do all such things as the attorney may consider necessary or desirable to effect a surrender of this easement upon the default by Unitywater of any condition, covenant or clause of this easement provided however that the State of Queensland may only exercise its right to surrender the easement under this clause if:
- (i.) Unitywater has breached a condition, covenant or clause of this easement; and
 - (ii.) the State of Queensland has given written notice to the breach of Unitywater; and
 - (iii.) the State of Queensland has allowed Unitywater 90 days from the date of receipt of the notice to remedy the breach; and
 - (iv.) Unitywater has not remedied the breach by the expiration of that 90 days.
