Hello Chris,

[REDACTED] got this under control.

I got the rolex watch box and bag in my office for [REDACTED] next week.

Warm Regards,

Check this out!

Why don't you get flower drum or another pastry chef( I'm sure [REDACTED] has one) to make a birthday cake replica of the Rolex you have ordered for [REDACTED] as proxy if the actual watch won't arrive on time...?!

Brilliant yes?
